

## **Lauren Collier's Candidate Statement**

### **Nomination to the Planning Council for Open Learning**

I am honored to be nominated for the Planning Council for Open Learning. My journey is rooted in commitment, dedication, and a strong passion for public service and community engagement.

#### **Credentials Earned:**

- Diploma in General Studies (Date Completed)
- Currently pursuing a Bachelor's Degree

**Occupation:** I am a full-time school district employee, working in a clerical position.

#### **Community Involvement:**

- Served on the Parent Advisory Council (PAC) of my son's elementary school for 4 years.
- I actively volunteer with community sports teams and serve as the team manager every year.

**Interest and Aspirations:** I have a deep interest in public relations and civil service administration. My aim is to contribute to policies and initiatives that enhance the educational experiences of our community.

**Balancing Roles:** While working full-time and managing family responsibilities, I have successfully completed my Diploma in General Studies and am currently in the process of completing my Bachelor's degree. I take pride in being a dedicated parent and a proactive contributor to my community.

I believe that my diverse experiences, strong organizational skills, and commitment to public service make me a suitable candidate for the Planning Council for Open Learning. I am eager to bring my insights and dedication to this role, ensuring that our initiatives are well-planned and effectively executed.

Thank you for considering my nomination.
